

Pilot/Controller Communications and TFR Avoidance

Attend this informative briefing and improve your communication techniques, obtain a better understanding of Temporary Flight Restrictions (TFRs) and the potential consequences of poor preflight planning. Featured speaker for this exciting presentation is FAASTeam Representative and retired Boston TRACON Controller Bob Adelizzi. He will address pilot/controller communication responsibilities and TFR avoidance. Click on the link below and register TODAY.

Directions: Take I-95 to Exit 19. Go north on Rte 109 for 7.5 miles. Southern Maine Aviation will be on your left behind the Lucas Country Store (1.5 miles from the intersection of Rtes 4 & 109). This seminar will be held in the Southern Maine Aviation "Event Hangar". Southern Maine Aviation is in the same building as the "Cockpit Café". Parking for fly-ins is available on the east ramp.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
